PRODUCT FEATURES

- ✓ **Reliable and Cost Effective**
- ✓ **Multi-function LCD Display with Battery Voltage Indication**
- ✓ **User Replaceable Battery option for Long Term use**
- ✓ **Multi-Logger Configuration, Download and Data Analysis via b.plus application**

Operating Range	-40°C to +85°C 0%rH to 100%rH
Sensor Type	Digital TRH Sensor
Measurement Accuracy	±0.5°C 3.0%rH
Memory Capacity	32,000 Data Points
Measurement Interval	1 min. to 120 min.
Start-up Delay	upto 30 days
Alarm Delay	upto 120 min.
Alarm Configuration	High and Low Alarm
Interface	Multi-function LCD and USB (via cable)
Power Source	3.6V Lithium Battery (Replaceable)
Battery Life	12 Months (typically 15 min. @25°C)
Software	b.plus application
Software Compliance	FDA 21 CFR Part 11 Compliance
Certifications	CE RoHS
Case	PC/ABS
IP Protection Level	IP54 as per IEC60529
Dimension Weight	97 x 49 x 23 mm 75g
